

# DISOLUAIS Normal, SOLVENT FOR SYNTHETIC RESIN AND CHLORORUBBER BASED VARNISHES AND PAINTS

# Descrição

Lacquer thinner and paints based on synthetic resins

# **Aplication**

To dilute chlororubber and synthetic systems and apply the pistol.

## **Surface preparation**

Not applicable.

# **Modes of application**

It is not recommended to repaint quickly after using the product. When applied on slow-setting synthetic systems, they can be repainted when using DISOLUAIS N solvent, by ensuring that application onto the support has been done at least one week ago. If this is not the case, the support may form a

Email.: desarrollo@teais.es

corrugated film.

It is recommended to test a sample previously or use DISOLUAIS B even though it has a slower effect.

## Clean up

Not applicable.

# Data sheet

-Highly flammable product

#### **Performance**

According use.

## **Storage**

3 years in their original containers, tightly closed, dry and cool place.

# Security
